

THE DAY OF THE STORM

I love to think and Poems to write,
But Thunder threatens & the Sky is not Bright;

It grows very Dark as the black clouds form.
The People hasten to shelter from the Storm;

Then the Lightning Flashes,
And the Thunder crashes,
And our ears ring with the sound!

Now everyone is urgently Homeward bound,
Hoping they can get there safe and sound!

What a Comfort it is to get to our Home
'til One Blessed Day our Heavenly Father says "Come"!

"I have a Beautiful Place for you in Heaven"
Where there is no sorrow nor crying (nor leaven),

BUT LOVE, JOY & PEACE MAGNIFIED A TRILLION TIMES SEVEN

Oh LORD How Long ?

Oh LORD, how long ?
I cry in the night seasons ,

And in the day time am not silent,
Why are you keeping me here ?

When my great desire is to be Home with YOU ?
My time is spent in longing and weariness,

I wake in the night and long to be with YOU !
And toss and turn as I call upon YOU in prayer,

I witness to all as oft as I can,
And they know from my words there is only one Way of Salvation ;

For you, LORD JESUS are our SAVIOUR,
By your Death YOU gave us Life Eternal,

This is the Hope of all who believe in YOU,
A Wonderful Eternity of Love, Joy, Peace and Rapture,

For Ever through all the Ages of Eternity !
THANK YOU, LORD JESUS

The Evening Glow

As I sit meditating in the Evening Glow
I wonder how much do I really know?

GOD is so vast and Almighty and Majestic,
The Absolute Paeon of Knowledge and Wisdom,

He designed, planned and created the entire Universe,
And every tree & mountain, every lake & river, every valley & sea,

The lions & tigers, chimpanzee & gorillas, horse & cattle,
The elephant & rhinoceros, doves & eagles, & prettiest butterflies,

And Eternity awaits for all the Ransomed Family of GOD!
Those who have believed His Word & found the Knowledge of GOD!

They are His Royal and Beloved Children for whom He waits with longing,
Longing to pour out on us the Eternal Glories ahead,

Which eye hath not seen nor ear heard, of such exceeding Majesty,
which GOD will share & rejoice together with His Beloved.

His very Own, Through all the Ages of Eternity;
For ever & ever & ever!!!

My Odes to Life & Death The Night Draws Dark

The Night draws Dark and my Eyes grow weary,
And Life on Earth lacks purpose and is dreary,
Will my LORD call me tonight to my Heavenly Home?
And how gladly will I respond when He says "Come"!
To go to the Land of Heavenly Love, Joy & Glory,
For trillions of years we'll be hearing the story,

Of how the Father's great Love sent His Only Begotten Son
To die for us & bear our sins, & thru' Death, HE Won !!
That through eternal ages His Wealth we might enjoy,
Heaven's Richest Blessings, for Man & Woman, Girl & Boy,
From GOD'S richest & Immense Treasure Bright !
& to travel through billions of Galaxies at the speed of light,

What Wonderful Glories GOD has yet got in mind,
All of which GOD planned from the beginning of Time !
GOD loves us & we are precious in His Sight,
As we make Him our LORD & SAVIOUR & trust in His Might;
And win the battle in that Wonderful Day,
When JESUS returns in Glorious Array,

To Reign as KING OF KINGS & LORD OF LORDS!
How can we express such LOVE in Words?
It seems as though GOD is beside Himself in His desire to Bless us.
For our simple faith in Him, He has reserved all the glories of that Golden City,
A New Heavens and a New Earth,
And who knows what Wonders beside?

What Wondrous Glory beyond measure for all who Believe !
LET US PRESS IN, for the time of His Coming is at hand!

EVENING MEDITATION

As I look upon the sky so bright,
And see the rainbow, oh what a sight!
I must try and keep in tune,
With the glories of the Sun and Moon.
All of GOD'S creation is a work of wonder,
The babbling brook, the Robin's song & the Mighty Thunder,

Enormous Mountains & Rolling Plains,
Oceans & Seas,
Snow covered & Hail driven,
Still fly the Birds & the Bees,

The Animals GOD created in many shapes and sizes,
Elephants & Buffaloes, Beautiful Birds & Butterflies,
A Heaven of Glory beyond description,
Where time & distance are Eternal, and GOD, even OUR VERY OWN GOD,
(Psalm 67:6)
Reigns in Glory & Love, Joy, Righteousness & Peace,
For Ever & for Evermore !!!

Alfred Curtis,
14/10/2022.

AN EVENING REFLECTION

If an Angel in the Sky should come,
To take Me on High to My Heavenly Home.

How greatly I should sing & rejoice,
For JESUS is my Saviour, My Lord, My Choice.

He is all Glorious, full of Love, Mercy & Hope,
So I can sing joyfully before Him & not mope.

For GOD in His Love hath made Provision,
In our Heavenly Home, without division.

Glory upon Glory, & never a tear,
For GOD is there so there's nothing to Fear!

AN ODE TO THE DAY

The Night is over and I awake,
But Behold! Clouds cover the Earth!

And more rains come & the floods form a great lake,
Of dry ground & paddocks there is a dearth !

The leaves of the trees hang listlessly,
For there is no breeze and no comfort for me!

Even the birds seemed to have ceased to sing,
So shall I awake the Churches their Bells to ring?

But no, I must arise & cease to be down hearted,
GOD reigns in Heaven & I am not about to be martyred!

The SUN still shines above the Earth,
So I can rejoice and sing with mirth!

My Hope is in GOD who Reigns above,
And He will shower upon me His Wonderful Love.

Amen,

Alfred Curtis,
21/10/2020

An Ode to Today

Today I must write a message of Cheer,
& think gladly upon all things held dear!
My wife long departed, my Precious Family & Friends,
& above all on the GOD whose Love & Mercy never ends,

For He is the Maker of all Creation, singing Birds & busy Bees,
Mountains & Rolling Plains, Pansies & the Tall, Tall Trees,
His Nature is LOVE, the Most Important of all affections,
& His Spirit is with us always, to guide in right directions.

So let us give Thanks & Praise to our Dear LORD.
For there are Wonderful Promises, written in His WORD!
An Everlasting Life & Joy beyond ending,
What manner of Days, in Endless Peace spending!!!

A SUNDAY REFLECTION

A fateful Day has it been to Me.
Getting ready for Church is a time busy !

Rousing the Nurses for here comes the Taxi !
A Pleasant Drive to Church & I am there Early !

I go Inside & then consternation, my phone's in the Taxi,
Barry rings Yellow Cabs to put in a report,

But Office is closed 'til the following Monday,
I pray to the LORD for His Mercy, let it not go astray,

And listen to Peter, as He teaches the Right Way;
We fellowship together & chat over Morning Tea;

Then Ian drives me back, a job done Faithfully,
I go inside Kirkbrae. and a delightful surprise !

My phone's here on the Charger it's charge to rise,
Oh if only I had a better Memory ;

So thank You LORD for Your Good Grace to me,
With all my Heart may I love You & serve You faithfully !!

Alfred Curtis
23rd October 2022

A MIDDAY MEDITATION

The Morning has Passed, doing Exercises and all,
I meet with the Staff of Kirkbrae, Nurses short & tall,

I sit in my room and contemplate, wonder what the Day will bring,
I search through GOD'S Word. find Psalms to sing,

How Precious is GOD'S Word to me, if I can obey it faithfully,
Promises of Glory to come, laid up in our Heavenly Home;

GOD'S Love is so Gracious to all & sundry, His cry is "COME"
My SON died for your sins, accept HIM & become strong,

Walk in GOD:'s Ways, give Witness of Him to whom you belong,
For we have an Adversary, Satan the Devil we must fight !

But not alone, GOD is our Strength, as we trust in His Might!
It's wonderful to read of the Glories of the Life to come!

The Love, Joy & Peace, not a worry or care in our Heavenly Home!
ALL GLORY BE TO GOD

Alfred Curtis

WHEN DAY IS DONE

I write in the Hope of pleasing JESUS my KING,
For my only desire is to HIM Glory bring!

How can I proclaim the Wonder of His Majesty?
Of anything less than His OMNIPOTENCE would be a travesty;

GOD created the Universe & Everything that has Life!,
Of His Omniscience atheists & evolutionists are in strife,

How stupid to think Creation came by Chance,
& imaginary "Big Bangs", thoughts that lead them in a dance!

Of theories & hypotheses, evolution & billions of years past,
I certainly would not want to put my flag to their mast !

With my whole heart I'll wave the flags of my LORD & KING.
And forever & evermore in Glory HIS PRAISE will I sing.
