

## A SUNDAY AFTERNOON REFLECTION

Sunday Afternoon after going to Church this Morning, Harkening to the Word of GOD as Rev. Peter Hastie,

Head of the Theological College,preached the Word of GOD, Ezekiel 18 was read, the rewards for obedience made clear,

But for the Disobedient and Rebellious, Death ensues. Who can challenge GOD? He is the Absolute Ruler over All !!

And None can say HIM Nay, He has His Way in the Whirlwind & the Storm, & the Clouds are the Dust of His Feet !

So Man must Bow to His Will, Learn to Rejoice in His Ways, For GOD is Perfect & HE Rules in Righteousness,

How Glorious is Our GOD, & How Much HE Loves us, If we should Number His Thoughts toward us,

They would Number more than the Sands of the Sea !! Blessed be the LORD & Blessed be HIS NAME for Ever & Ever !

## AB EVENING MEDITATION 7-1-23

How nice it is to see fleecy white clouds drifting across an Azure Blue Sky; So serene & picturesque as they gently glide by;

While down on Earth the grass, the plants, bushes & trees, Lap up the Sunshine, without which they cannot bear seed;

GOD has made all things well, HE designed & made everything; GOD is the Author of Life & without HIM nothing lives;

"In the Beginning GOD Created the Heavens & the Earth" And Everything in it was Beautiful, 'til Sin came & marred

GOD"S Wonderful Creation; that fallen Archangel Lucifer rebelled Against the Most High & became Satan the Devil, who caused

the Fall of our first parents Adam & Eve & brought Sin on the Whole Human Race. But GOD, whose very Nature is LOVE.

Would not let us go & after many Trials, GOD sent His Only Son. JESUS, born of a Woman, as One of us, to Die in our stead,

Bearing Our Sins & Trespasses on the Cross of Calvary, That we might be born again as Sons & Daughters of GOD,

What a Gracious & Loving GOD we have to Love us so much, So let us accept in full Faith His Wonderful Salvation,

And Walk in His Steps all the Days of our Lives, And then in Glory with HIM for Ever & Ever !!!

## THE 6th DAY OF 2023

Here I sit at the Dining Table, always the last to leave,  
food 24 times.

My stomach demands I chew every mouthful of

How other people can eat there food so fast beats me,  
Created & Made,

So I sit & reflect upon this Universe GOD has

& Wonder at the Speed we travel as we go round the Sun,  
miles/hour,

Over 1-1/2 million miles/day.at approx.63,000

How come we are not all being flung off??  
holds us on,

It's GOD's marvellous Power of Gravity that

But what is Gravity? There is no Scientific explanation !  
our natures;

Like the DNA Code, which uniquely determines

What a Wonderful & Unique Universe we live in !  
Knowledge!

Of it's Immensity & Marvels we have but scarce

But One Glorious Day when JESUS calls us Home,  
Rejoice Evermore

The unknown will become Known & we will

In the Immensity of GOD'S Magnificence & His Eternal GLORY, Before His Throne. we will fall down & Worship  
Him,

As we are overwhelmed by the Glory of His LOVE for us,

What a Wonderful & Unique Universe we live in !

Of it's Immensity & Marvels we have but scant Knowledge,

But one Glorious Day when JESUS calls us Home,

That which is Unknown shall become Known,  
Magnificence,

And we will Rejoice in the Immensity of GOD'S

And fall down & Worship HIM, Who called & Saved us,  
Goodness to us,

And be lost in the Glory of GOD'S LOVE &

Which will never, never end; all Praise & Honour be to GOD.  
GOD,

All Praise & Worship belongs to our Very Own

Who is FATHER, SON & HOLY SPIRIT through All Eternity.

So how to fill in the Day, before it become Night ? I live in a Prison called Kirkbrae Nursing Home,  
And I guess I'll be here 'til My LORD says "Come", I sit in My Room, & read, meditate & watch TV.

## CHRISTMAS PAST 31=12=22

Another Christmas has gone by, & now we face the Future,  
bring Good Cheer, '

With Hopes & Plans that the Days to come will

our Creator,

Life is lived day by day and we need the Help of

We are all born as GOD'S children, all have the same call,  
shall have Rest.

"Come unto Me" calls our Blessed LORD, & You

If we do not heed His Gracious Call, don't Repent of our sin,  
Fire

Then we remain in Darkness & in Danger of Hell

So let us who are of the Day be wise & come to the Light,  
Truth,

The Light of the World, that we might know the

& the Way that leads us to the Glories of Heaven,  
ever, evermore.

Where all is Love & Peace & Joy & Gladness for

. **A WRITING FOR THE NEW YEAR 2023**

Another Year has passed, and now we step out into the New Year, What Happenings are before us? What has GOD planned?

In the World there are such conflicts of opinion & even Open Warfare, Men & Women rejecting GOD'S Holy Laws & bringing in

Evil Laws permitting abortion, the murder of unborn infants, who all grow up in Heaven, being totally innocent of sin, and will

be Witnesses against those who killed them on Judgment Day!!! No Christian teaching in Schools, young children being

taught about sex and that they can change their sex; Parents forbidden by law to discipline their own children; with the threat

of having them taken away if they do. on the word of the child! The World that rejects GOD will face His WRATH !!!!

Let us bare Witness to as many as will listen. which is our Duty! That we may hear the Words, "Well Done, Good & Faithful

Servant. Enter thou into the Joy of Thy Lord!" Praise GOD that for us who believe there is a Glorious

Inheritance, an Eternity of Love. Joy, Peace & Bliss !! Let us be Faithful & press into the Glory GOD has for us !

The Time is short, Judgment Day approaches. Soon we will see JESUS Coming in the Clouds of Glory,

And so shall we be for ever with the LORD ! Amen so let it be. Life from the Dead is in that Word, 'tis Immortality !!!

May the Year 2023 be one of Steadfast Faithfulness. of Love, Peace, & Joy for us all !!
