

SUMMER DAYS - 28-2-23

Summer Days are Lazy Days; the Sun shines brightly through the Haze; And if there's a field and Trees nearby,
then

One can wander among them, even lie & Rest in the Grass; And look at the Trees reaching up to
the Sky,

GOD'S Wonderful Creation! How Beautiful & Pleasing must have been The Garden of Eden, Trees laden with
luscious Fruits

to Eat, the Fragrance of the Flowers, and Palm fronds gently waving As GOD'S Zephyr Air flowed through
the Garden,

Lambs & Wolves, Lions & Tigers, Gentle Doves, in the midst thereof, A ll Herbivorous; and at Peace with one
another;

Til Alas! An Evil Being slunk into the Garden, to tempt our Innocent First Parents, who succumbed to the
Devil's Lies .

Innocence was shattered! Sin raised it's ugly head!, And the whole Solar System was affected; Scorching
Heat, Freezing

Cold! Plants grew thorns, Animals began to hunt & Devour each other, And Man had to live by the Sweat of
His Brow !

The Idyllic Earth that GOD Created was smitten with a Curse, which Can only be lifted by our Redeemer
when He comes

The 2nd Time & takes over all the Kingdoms of this World, and Reigns as KING OF KINGS & LORD OF
LORDS !

JESUS invites us now to put our whole trust in Him, so that we May enter into & be part of His Glorious
Kingdom!

Blessed be His Glorious Name for Ever & for Ever !!! Loving & Gracious is our Wonderful GOD
!!!

A REMINISCENCE - 27-1-23

Oh if only I could be young again, and make all the right decisions, instead of the Mistakes I've made,
Fortune would have been Mine, and a large Bank Balance, A much better Home, plus all the Help I
needed,
I could have been Living there Today, not cooped up in this Prison, I would not have this Leg problem, when
I slipped,
f only I'd been wearing Slippers, I would not have torn my thigh Muscle, which makes me Limp, and have to
use a Walker;
And to think I could have been playing Golf still; "If Only !"
It is hard looking back on One's Life.
And knowing all the wrong Decisions I made. "Why. O Why?"
It's the Bane of my Existence;
Now let me look on the Bright side, I have a Beautiful Family. Of 5 + 14 g.c. + in-laws + 33 g.g.ch., 70 incl.
my wife & I;
By the Grace of GOD I am 103 years old, walk with a walker. Get to Church on Sundays & enjoy the
fellowship there;
Sit outside in the garden when the weather's fine, And meditate on the Wondrousness of
GOD's Creation,
I watch the News and Christian programs on TV., And wait for that Day of Glory when I shall
go to be
With My GOD & SAVIOUR in all the Glories of Heaven, Which is full of Love, & Peace, & Joy &
Happiness,
Through all the Ages of Eternity, for Ever & Ever. LORD JESUS, Come.

AN ODE TO TODAY !!! ~ 12/1/23

Today! We wake up every Morning. every time it's Today!! How much that means to us! Yesterday Is gone
for Ever !

Today is always New, What is before us, Who Knows? What will Happen between Morning & Night ?

Will Everything work for Good ? or will calamity befall us ? GOD is on the Throne, & HE determines our
Ways,

So I must put my Trust in Him, & rely on GOD'S Mercy, To commit my Way to the LORD & He will
Protect me,

For there are many vicissitudes I may have to go through But I know if I belong to GOD, HE is my Saviour!

And all my Ways are in His Hands as I Abide in HIM, Waiting for that Glorious Day when HE shall take
me Home !

And with this Glorious Hope. my Heart's cry is. LORD JESUS COME !!!
